Tuesday, May 5: Answer the question of the day by 10 a.m.

Answer at https://msrosenreads.edublogs.org/files/2020/01/Canadian-Citizenship-Practice-Tests.pdf

E.L.A.:

1. Google Classroom: Hatchet - read and complete the first assignment: chapters 1-3 (due Wednesday)
2. Google Classroom: Journal Assignment (due today)
3. Continue on Google Classroom: My Independent Reading: May 4 - 10

Math:

1. Memorize this: In arithmetic, the only thing that is unknown is the answer to the problem. In algebra, the unknown could be a number anywhere in the problem on either side of the equal side. In arithmetic, we leave the unknown as a blank or a line. In algebra, we show the unknown number with a letter of the alphabet.
2. Practise for at least 45 minutes today.
3. Google Classroom: IXL Algebra Practice Report (due today)

Science:

1. Google Classroom: Extreme Environments Project (due next Monday)

S.S.:

1. Google Classroom: S.S. Slides Heritage Project – at least 12 slides (hand in today)

Show up for your Hangouts Lesson:

9:30 a.m.: Arithika, Ashleen, Darshpreet, Jasleen, Simreet,

10:30 a.m.: Arjshaan, Fateh, Gurman, Gurshaan, Rajvir, Humraaz

11.30 a.m.: Avneet, Esha, Gurnoor, Gurvir, Mehtej, Manshan, Harshaan
