

Why do people choose to migrate?

There are 12 reasons on the next page.

Divide the reasons into 2 categories.

Name each category.

to escape war

to escape persecution

to find more farmland

to escape invaders

to find food & water

to escape environmental pollution

to gain more power

to escape slavery

to find work

to escape environmental disasters

to escape natural disasters

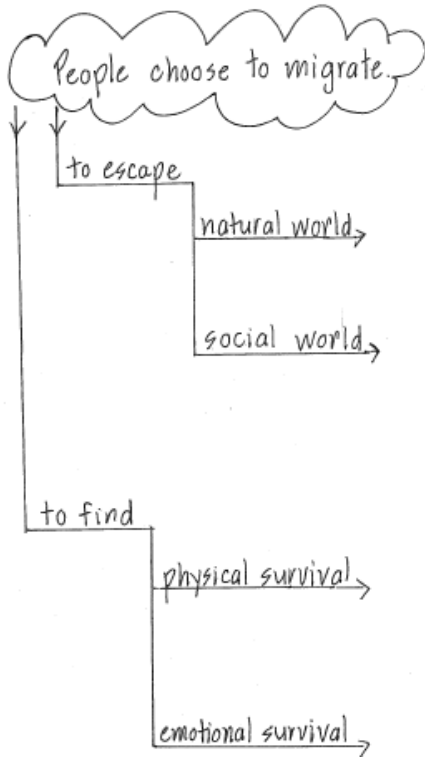

to follow religious beliefs

Now divide your 'escaping' category
into two groups:

- escape the natural world
- escape the social world

Now, divide your 'finding' category into two groups:

- physical survival
- emotional survival

Finally, make a diagram.

Criteria:

1. accurate
2. neat printing
3. colour-coding
