

Wednesday, May 27: Answer the question of the day by 10 a.m.

<https://msrosenreads.edublogs.org/files/2020/01/Canadian-Citizenship-Practice-Tests.pdf>

Organization: Did you hand in yesterday's assignments?

1. *Hatchet*: Chapters 10-12
2. Google Classroom: Transformations
3. Google Classroom: BrainPop Newton's Laws of Motion

Show up for your Google Meet session

- Compulsory: 11.00 a.m.: I will email you a link to Zoom
- For up-to-date students: 1 p.m. study session to prepare for tests
- Email or call me on Hangouts for help with your assignments.

E.L.A.:

1. Read *Hatchet*: We will read ch. 16 together
2. Continue on your new independent reading record on Google Classroom

Math: Google Classroom: Transformations Again (due today)

S.S: memorize your textbook Globalization assignment to prepare for a test on Friday

Science: Google Classroom: Types of Forces (due Thursday)

Art: Google Classroom: Transformations: An Art Project (due next week)
