

Thursday, May 28: Answer the question of the day by 10 a.m.

<https://msrosenreads.edublogs.org/files/2020/01/Canadian-Citizenship-Practice-Tests.pdf>

Organization: Did you hand in yesterday's assignments?

1. 'Google Classroom: Transformations Again

Show up for your Google Meet session

- Compulsory: 11.00 a.m.: I will email you a link to Zoom
- For anyone who did not earn 10/10 in math on Wednesday: 1 p.m. math session
- Email or call me on Hangouts for help with your assignments.

E.L.A.:

1. We will talk about how to write better answers for your *Hatchet* questions
2. *Hatchet* ch. 13-15: find your Google Classroom assignment to follow the link to MsRosenReads for your questions; use your existing *Hatchet* document to write your paragraph answers
3. Continue on your new independent reading record on Google Classroom

Math:

1. Google Classroom: Transformations Another Time (due today)
2. We will talk about transformations vocabulary and skills

S.S: memorize your textbook *Globalization* assignment to prepare for a test on Monday

Science: Google Classroom: Types of Forces (due today)

Art: Google Classroom: Transformations: An Art Project (due next week)
